*Strengthening bonds beautifully for over 70 years*

## Quintessentially English

Halcyon Days 1950 – the guardian  
of two of the oldest English  
crafts - enamelling onto copper  
and the handmaking of fine bone china.  
A business of tradition in the best sense  
of the word: skilled craftsmen and master  
artists using skills and techniques passed  
down through generations. Handmade  
in the heart of England.

*Products you will fall in love with*

Garlands of roses, daisies, cornflowers and morning glory adorn the burnished gold façade of this 2021 year box. Symbolic of tenderness and contentment, the delicate pastel tones of the flora augur peace and a year of felicity. This handcrafted enamel box is a gift to cherish for a lifetime.

The 2021 Easter Egg design is inspired by the magnificent stained-glass window of The Chapel Royal, St James's Palace, as erected in 2002 to mark the Golden Jubilee of HM Queen Elizabeth II. Depicting a magnificent tree, festooned with plaques displaying the many nations affiliated with the Queen, and beside it four disciples, Matthew, Mark, Luke and John, this interweaving of branches on a sunny yellow background is the embodiment of new birth and life, as the Christian festival denotes.
