PEAK

Design Martti Rytönen · 2018 · **NEW**

Americans discard more than 30 million tons of plastic a year, and only 8 percent gets recycled. The rest piles up in landfills, is incinerated or becomes litter. There are over five trillion pieces of plastic, weighing more than 250,000 tons, floating in our oceans. That's more than 700 pieces of plastic per person. Reduce waste with our Peak reusable stainless steel straws, ideal for cold drinks and dinner party cocktails.

The Peak series is designed for high-life high-jinks. The glasses are perfect for metropolitan soirées with celebs or quiet evenings at the local pub, and you can complement them with clean-lined coasters and straws if you wish. Designer Martti Rytönen was inspired by the peaks of glaciers reflecting in glittering seas – a design that embraces the dramatic contrasts of nature with the energy and nightlife of the city. Dishwasher safe.

BLOOM

Design Lisa Hilland · 2019 · **NEW**

6400025 NEW

Vase

4 7/8 x 9 in.

\$65

It is a universal truth that opposites attract and create harmony. Hot and cold, hard and soft, black and white. You can't have one without the other. When designer Lisa Hilland was asked to create a vase for Orrefors that was just as beautiful with or without flowers, she chose to contrast the exclusive crystal with metal. BLOOM is inspired by the organic shapes in nature, such as flowers and leaves. It is as perfect holding an exquisite bouquet as it is with a simple branch of ivy, but is also stunning in its own glory when the clear Orrefors crystal catches the light just right.

ARGYLE

Design Per Morberg · 2019 · **NEW**

The Scottish Highlands have an enchanting appeal. Their austere charm makes us long for good times with old friends, or a quiet evening in front of the fire wrapped up in a tartan blanket. Add a glass of Scottish 'water of life' and you're sure to keep both warm and cozy. Our new barware collection ARGYLE is an homage to everything we associate with life in the North Highlands. Designed for you to enjoy your favorite drink, it had a combination of sandblast and cuts that create a classic tartan pattern in crystal.
