DARE I SAY IT?
MARIPOSA IS OFFICIALLY
35 YEARS OLD THIS YEAR!

Being the industry pioneer certainly has its satisfactions. Over the years Mariposa’s advocacy for the art of craft, collaboration with notable designers and constant innovation have established our reputation for unique, sophisticated serveware and accents for the home.

ENVIRONMENTAL SENSIBILITY HAS CHANGED SINCE OUR FOUNDING ENABLING US TO PROUDLY SHARE THAT OUR PRODUCTS ARE MADE OF RECYCLED MATERIALS. WHEN WE STARTED BACK IN 1983, THAT WAS TABOO!

The search for skilled artisans that characterized Mariposa’s early days remains in our DNA. I remember driving around Mexico in a camper with my sister, and sometimes solo, listening to my cassette tapes as the miles slipped past! As you page through this catalog, you’ll see how that fascination with travel continues—minus the camper!

Over the years, Mariposa’s offerings have expanded from the signature sand-cast metals crafted by the premier eco-chic producer in Mexico, to dozens of other natural textures and patterns articulated in ceramics, refined recycled glassware and sustainably harvested woods from Italy, France, Spain, Turkey—and even here in the USA!

As I look back, perhaps the most gratifying aspects of Mariposa’s history have been our enduring relationships with retail partners and friendships with the artisans around the world who craft our products. We celebrate them—and savor the lifestyles that their skills preserve.

SHOW YOU CARE & PERSONALIZE IT

Building relationships is at the heart of everything we do at Mariposa. **To wit, we begin your journey highlighting Personalization.** Because Mariposa offers a diverse assortment of one-of-a-kind engravable frames, gifts and tableware, you can select the most appropriate present for any occasion. Monogramming, engraving a secret sentiment, sharing your joy with a newly married couple, or even celebrating a corporate event with a company logo? All are a unique expression of your caring and respect.

We've always been fans of engraving, so you'll find a wide variety of fonts, ranging from a twist on traditional to clean and contemporary—but always fun. The fact that our products are lovingly handcrafted makes everything even more special.

THIS SEASON WE’VE ADDED THE OPTION OF ETCHING FINE DETAIL WITH LASER ENGRAVING ON EXQUISITELY CRAFTED THERMAL FORMED ACRYLIC TRAYS.

This contemporary addition to the Mariposa assortment expands your ability to customize with corporate and club logos, and even family crests—all in exquisite detail. In a world where the credo is “monogram everything”, Mariposa’s new acrylic is a must!

Express the theme of your event, selecting from an assortment of handles ranging from iconic Pineapples, Starfish and Cleats to classic Pearls, or the handsome new Signature style.

Riding on the coattails of our favorite items, we’ve invited “Mr. & Mrs.” to enjoy “The Best Day Ever” in playful fonts on our new Acrylic Trays. THE *NE PLUS ULTRA* OF FINE CRAFTING STARTS WITH MUSTIQUE'S METICULOUSLY WOVEN FORMS.

THE DETAIL REQUIRES FINESSING FROM THE INITIAL CAST TO THE FINAL POLISH AND THE LOVE OF EVERY HAND THAT TOUCHES IT ALONG THE WAY. WHILE EACH CAN BE USED TO HIGHLIGHT ONE'S CULINARY CREATIONS, THEY GLADLY ACCEPT YOUR GUESTS' ACCOLADES SITTING SOLO, AS A WORK OF ART.
