

MARIPOSA[®]

FALL HOLIDAY PRICE LIST 2021

'tis the season to set the stage (and table) for successful holiday celebrations with Mariposa's broad spectrum of new offerings.

As we're all ready to have fun focusing on gifting friends and family, businesses must set the stage to optimize the home décor trend, the return to weddings, and the well-deserved celebrations of anything and everything!

Our new introductions include year 'round pieces—that are destined to become perennial best sellers—along with a fresh suite of seasonal stunners. All have perfect complementary themed Napkin Boxes and Weights. As you page through the catalog, you'll see we presented a variety of easy "tool kits" to help you create dedicated displays that will award a high ROI.

Beyond being leaders in sustainability, our long-time partners in Mexico have given us the gift of a strong supply chain. Local Studio Glass glassblower, James McLeod, has been featured in Architectural Digest, Forbes and by the Today Show, yet he and his team are working hard to build inventory of our beloved pumpkins and sparkling new trees. We're robust on Alabaster and our other glass favorites...but nonetheless encourage early buying to ensure you'll have stock as we head into what will clearly be a very successful season.

To get started, select from the expanded faux grasscloth and textural treasures. We've added lamps, trays, fab frames...and the newest "must have"? Tic Tac Toe in Xs and Os for those who love to play the game. Now just settle in and tour all our treasures.

An important reminder: make sure your catalog is on the floor so it's easy to promote engraving. We purposefully featured the fresh Pearl Drop introductions with Beaded and Signature favorites adjacent to the Engraving manual toward the back for easy access. (Be sure to let us know if you need more catalogs; we're happy to include them with your next order.)

Now? Let's toast to a joyful holiday season—together!

ordering details

OPENING ORDERS

If you have a store and are interested in becoming a Mariposa Dealer, please contact your Sales Representative, or visit our wholesale inquiry page on mariposa.com. You can also email us directly at sales@mariposa.com. You will then receive our Brand Partner Application for completion.

Once approved, we'll contact you to help you get started! Our minimum opening order for a wholesale account is \$1,500. Please note that an annual minimum of \$3,000 (wholesale) is required to maintain your Mariposa Dealer status. Orders may be placed on Mariposa.com, through your Sales Representative, or by emailing customerservice@mariposa.com.

PAYMENT TERMS

All new accounts will be initiated by credit card. If you would like to apply for Net 30 terms, please complete the Credit Application found in your Retailer Resources on mariposa.com. You can scan and send this form to ar@mariposa.com or fax to 978.526.4275. Allow two weeks for processing. You will be notified when credit is established, confirming your change in terms and credit limit. Failure to pay will result in a suspension of future shipments. More than one occurrence may result in loss of Key Dealer benefits, return to credit card, or account closure. All checks returned for insufficient funds will be subject to a \$25 processing fee and may also result in a loss of terms.

SHIPPING

We strive to ship in three business days or fewer. Because our products are handcrafted, you may experience some delays during our busy seasons. For these same reasons, we cannot guarantee that all items are always in-stock. Backorders will be shipped as soon as they become available, *except for backorders under \$50, which will be canceled automatically.*

We will drop ship to your customer directly for an additional fee of \$7.50. If the address provided for shipping is incorrect, a re-routing fee of \$15 will be charged.

Mariposa does not allow transshipping. We reserve the right to close any account reshipping to locations that have not been approved by Headquarters.

RETURNS

Please inspect all products upon receipt. All claims must be made to Customer Service either by email at returns@mariposa.com or by phone at 800.788.1304 within 21 days. Please include your customer number, invoice number, and description of claim. We are unable to accept returns unless merchandise is damaged, and we cannot accept returns on personalized or sale items. Products that do not meet your criteria may only be returned for credit or replacements at Mariposa's discretion. Please pack all returns carefully as we cannot credit you for items that arrive broken. We hope that you understand the handcrafted qualities of Mariposa products when you purchase them and make buying decisions that are most appropriate for your store location and customer base.

product care

METAL

- Our fine metal is handcrafted from 100% recycled aluminum. Slight “imperfections” and cooling marks are the hallmark of handmade goods.
- Occasional use of a non-abrasive metal polish will revive luster. We recommend Simichrome polish which is available from Mariposa or at a local hardware store.

Serveware

- All products are food-safe and will not tarnish.
- Handwash in warm water with mild soap and towel-dry immediately.
- Do not place in the dishwasher or microwave.
- Coat lightly with vegetable oil or spray to avoid staining. Avoid extended contact with water and acid-based foods.
- Cutting directly on the metal surface will scratch the finish.
- Warm to 350° for hot foods. Freeze or chill for summer entertaining.
***Not recommended for enamel pieces*

LEATHER

As a natural material, fine leather has unique characteristics and qualities. Mariposa carefully selects the highest quality to achieve consistencies. If, over the course of use, small scratches occur, simply rub with your fingertip, as natural oils in your skin help to gently eliminate them. To remove dirt, grime, or surface residue, use a soft, damp (not wet) cloth and gently clean.

FAUX TEXTURAL FINISHES

Use a soft damp (not wet) cloth with a warm mild soap solution to remove ordinary dirt and smudges. For more difficult stains, use of a stronger detergent is recommended. Try an inconspicuous spot before attempting the entire piece. Always wipe the surface well after applying a detergent. Do not clean with steel wool or powdered abrasive cleaners or hard plastic scrubbers. Do not soak in water.

LINEN

Use a dry cloth to remove any dust. Do not scrub linen or use harsh chemicals. Metal Icon is handcrafted from 100% recycled aluminum and will not tarnish.

ARTISANAL GLASS

- All Mariposa glassware is individually handcrafted; slight variations in color, bubbles, cooling or pontil marks are signatures of the artistic process.
- Avoid extreme temperatures of boiling water or microwave on all Mariposa glass.

Italian Bellini Glass

- Bellini’s effervescent look is a result of bicarbonate of soda exploding in the glass, while being individually handblown. In rare cases, slight ripples might appear at the rim.
- Dishwasher-safe using a mild detergent on a warm, gentle cycle; use air dry setting to avoid potential fogging.

Alabaster Glass

- Dishwasher-safe using a mild detergent on a warm, gentle cycle, however Alabaster Platters with recycled aluminum handles must be handwashed. Do not warm in oven. Do not freeze or microwave glass.
- Matte finished Alabaster glass should be hand washed. Use a mild detergent; do not use an abrasive cleaner. Do not warm in oven. Do not freeze or microwave glass.

Appliqué Glassware

- Crafted from strong borosilicate glass, its resilience allows for full dishwasher use. Do not microwave.

Studio Glass

- While hand washing is preferred, the Studio Glass Highballs and Small Bowls may be washed in the dishwasher using mild detergent on the warm, gentle cycle. Do not microwave.
- Due to the unpredictability of dishwasher temperatures, we suggest hand washing Studio Glass Large Bowls with warm water and mild soap, and towel dry. Do not microwave.

CERAMIC

Studio Collection

- Studio Ceramics are dishwasher-safe, however they should not be heated in the microwave or oven. Do not freeze. Ceramics with recycled aluminum attachments must be hand washed.

WOOD

- Food-safe wood products are made from North American sustainable resources.
- Do not place in the dishwasher, microwave, or oven; simply handwash in warm water with mild soap and dry.
- Condition your board regularly with mineral oil or beeswax wood conditioner.
- Avoid extended contact with water or acid-based foods.

ACRYLIC

- Handwash in warm water with mild soap and towel-dry with a soft cloth immediately. Do not use abrasive materials.
- Use acrylic polish at intervals to maintain shine.
- Avoid extended contact with water and acid-based foods with handles.
- Do not place in the dishwasher or microwave.
