## Quintessentially English

Halcyon Days 1950 – the guardian of two of the oldest English crafts - enamelling onto copper and the handmaking of fine bone china. A business of tradition in the best sense of the word: skilled craftsmen and master artists using skills and techniques passed down through generations. Handmade in the heart of England.

Ceiling of the Chapel Royal, St James's Palace  
Group 12 Musical Box  
A Limited Edition of 100  
Plays Zadok the Priest  
H: 95mm W: 82mm H:50mm

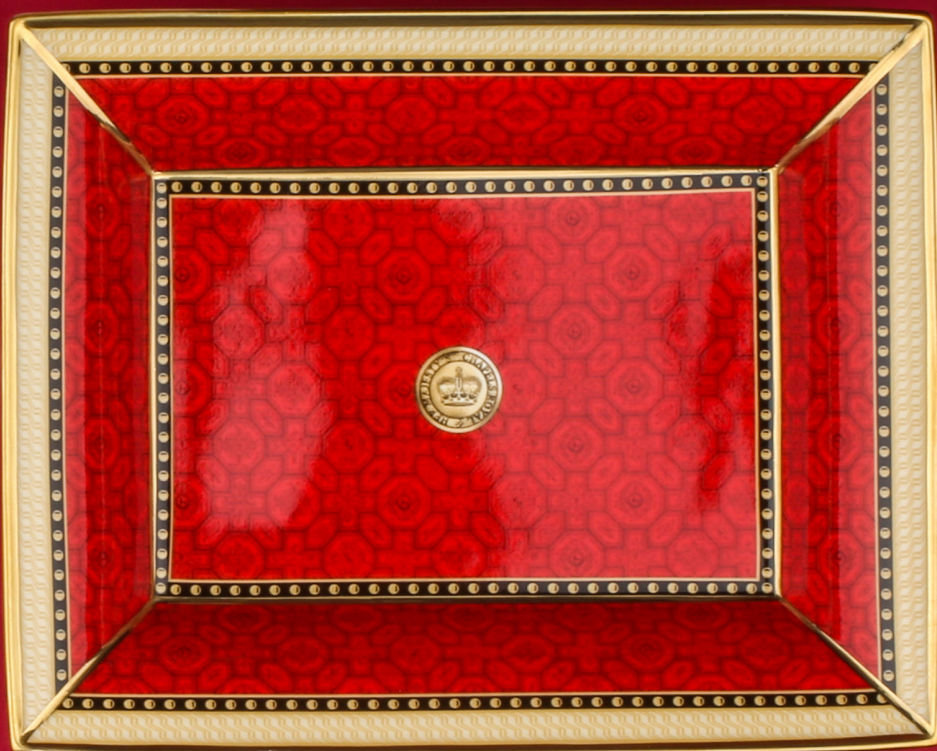

Inspired by the decorative ceiling of the Chapel Royal, St. James's Palace, the ceiling is host to a wealth of history. Hans Holbein was commissioned by Henry VIII to decorate the chapel and details of the ceiling were copied from the ambulatory vault of S. Costanza, Rome, with the illustrative painting attributed to Italian craftsmen, commemorating the marriage of Henry VIII & Anne of Cleves.

## The Chapel Royal Livery Collection

Inspired by the scarlet and gold livery worn by the 17th century choristers of the Chapel Royal, this collection is wonderfully opulent.
