Product Information:

- Material: 100% PVC (EN653), designed and manufactured in Spain.
- Hypoallergenic: bacteriostatic and fungicide treatments applied.
- Fire safe: self-extinguishing, in compliance with standards M3, B1, Cfl.S1.
- Waterproof, heat safe.
- Provides thermal insulation and protects hardwood floors.
- Not recommended for very wet environments, including in front of or inside a bathtub or shower.

Maintenance & Care:

- Clean with a damp cloth or mop; do not use abrasive cleaning detergents or sponges/brushes.
- Do not put Hidraulik products in the washing machine or dryer.
- Do not fold Hidraulik products; they should be stored flat or rolled.
- For domestic use only; not designed for commercial setting.
- Place the floor mat on a dry surface and ensure that the underside of the mat is dry as well.
- Do not leave pointy, sharp objects on top of the floor mat, this will puncture them.
- Do not drag heavy pieces of furniture across the mat, this will mark it.
